

June 2017

Dear Parents,

The following list is the required English Language learner summer reading list. **Summer reading is not optional.** Students **must** read all the books on the list. Each child will be tested on all books listed for their grade. **Please understand that these will be the first test grades for reading. Retesting is not an available option for these grades.** Remember to encourage your child/children to begin reading these books as early as possible. **Since this is considered an independent reading assignment, there will be no reviews.** If you have any questions, please contact the front office at 281-980-5800. These books are available on line at www.bn.com. Sugar Land Barnes and Noble will have a copy of this list.
